THE SHORT COURSES EXPERIENCE

For over 20 years Harrow School Short Courses schools have welcomed teenage boys and girls from all over the world on our 'serious study, serious fun' courses to improve their English and find out more about English life and culture.

SERIOUS STUDY

OUR APPROACH

Summer school is the perfect opportunity to forget about exams and to focus on communicating in English. We encourage students to put their knowledge into practice, meaning they enjoy their language lessons, improve rapidly and feel proud of their progress. We call this 'Serious Study'.

Our summer school courses are accredited by the British Council for the teaching of English in the UK and we are a member of EnglishUK and EnglishUK Young Learners.

OUR LESSONS

Lessons help students improve their speaking, listening and pronunciation skills, giving them confidence to communicate more fluently in English.

Our lessons are packed full of varied activities that boost language learning. Teachers use a wide range of resources including the internet, film and music, and also provide a course book or graded reading book that students can take home.

Students improve their spoken English through drama, role-play, competitions, songs and games, and at most centres, teachers take their students out of the classroom to practise talking to native speakers. Classes prepare students for excursions or activities that will take place during their stay.

OUR TEACHERS

Our qualified EFL (English as a Foreign Language) teachers all speak English at a native level. We look for teachers who are friendly, fun, enthusiastic and experienced in teaching young learners. Many teachers return to work for us year after year, and continue working with us year-round delivering classes with Harrow School Short Courses Online. All of our staff have current enhanced police checks to prove their suitability to work with children.

HARROW SCHOOL SHORT COURSES WILL PROVIDE:

- Level testing on arrival
- English lessons with a focus on communication
- Oral testing
- An academic report
- A course certificate
- Free course book or alternative learning resource

Students between the ages of 14–17 are able to join our exciting Harrow Seniors courses. BUILD YOUR SCHEDULE

ENGLISH LANGUAGE OPTIONS:

All students study general English in the mornings. Our general English classes focus on improving your ability and confidence at communicating in English. In the afternoons, you can choose one of three English language options for ten hours across two weeks.

PROJECTS AND PRESENTATIONS

In these lessons students work together to produce a project that is a reminder of their time at Harrow Summer School. They show their completed project to other groups in a presentation session at the end of their course and one group is awarded for making the winning project.

Previous projects have included short films, vlogs, drama performances and photo stories. The important thing is for you to enjoy what you are doing, learn and practise new language and to produce something you are proud to show to friends at summer school and home.

ACADEMIC ENGLISH AND DEBATE

Our academic English lessons help prepare you to study at English-medium schools or universities. The aim is for you to develop your ability to understand academic language and express yourself using this language in both written and spoken English.

Due to the language content you need to have an intermediate level of English in order to study an English language option.

BRITISH LIFE AND CULTURE

This is the ideal option for anyone who wants to learn more about modern Britain. We look at the mystery of what exactly makes Great Britain and discover more about the country’s monarchy and government. We also explore what makes Britain great, from its world famous education system to its rich tradition of arts.

We cover some of the traditions and values of British life, but also consider modern youth culture and what life is like for young people growing up in Britain today.

PLUS OPTIONS:

Students can choose which afternoon 'plus' option they would like to join for 15 hours over two weeks. Plus options give you the chance to learn and try out something new or develop your skills and language in an area of interest.

MULTI-ACTIVITY

07 July – 15 August

Our multi-activity course is our most popular option and is available throughout the summer. Students can try out a wide range of sports activities using Harrow's extensive facilities. Activities range from traditional sports like Fives and Fencing, to modern pursuits such as Circus Skills, Skateboarding and Street Dance. Get creative with Arts, Crafts and Photography, or challenge yourself with our infamous obstacle course. The choice is yours!

TENNIS

07 July – 20 July

Harrow School produced the first ever Wimbledon Champion in 1877, so this course's location provides the perfect inspiration for students. Expert instructors teach on the School's 12 acrylic courts and the instructor to student ratio is 1:8 or lower. Our Tennis plus option caters for all levels from beginner to advanced with topics covering service, ground strokes, volleying, positional play, tactics and match play.

SCIENCES

07 July – 20 July

This plus option enables students to explore a mix of sciences using Harrow School's excellent facilities. You will learn about our position in the universe and the observational techniques of astronomy in our space observatory. Students will have fun with chemical reaction experiments and explore biological sciences and zoology. This course allows an introduction to some of the language and ideas required to study Sciences in a UK university including Chemistry, Biochemistry, Materials Science, Medicine, Engineering and Veterinary Science.

**We know that
as you move
into adulthood,
a “one course
fits all” approach
isn't the best
use of your time**

DRAMA

20 July – 02 August

Drama is a dynamic plus option offering students insight into a wide range of dramatic genres and forms, as well as helping develop skills in analysis, creativity, empathy and teamwork. Harrow's rich dramatic tradition and well-resourced Ryan Theatre mean students have the opportunity to develop their skills to a very high level, on the same stages where famous alumni such as Benedict Cumberbatch learnt to act as a boy.

Students will learn skills that are at the heart of communication, expression and storytelling and then create a presentation allowing vital experience of live performance.

Topics covered include storytelling, improvisation, scene, study acting, character, physicality, voice and stage combat.

GOLF

20 July – 02 August

The Golf plus option is offered at two levels; beginner or intermediate/advanced. All students are assessed during the first period of instruction and video analysis is used to perfect techniques. We use excellent golf centres including one 18 hole course, one nine hole course, a driving range, pitching area and putting green.

Beginners receive top class teaching on a range of aspects including stance, grip, swing and an introduction to long and short play.

Intermediate/advanced players receive expert tuition in all aspects of the game to increase ability, understanding and confidence.

CODING

02 August – 15 August

This plus option allows students an opportunity to create their own website or app. Teenagers already spend around nine hours per day on mobile devices, tablets and gaming computers. To find out more about how these are created this option explores the fundamentals of coding, designing an app or game, coding in Python or working on mini-projects using a Raspberry PI computer. This exciting plus option combines modern technology with teamwork and project management skills.

DANCE

02 August – 15 August

This Dance plus option trains students in dance types including Street, Contemporary, Urban and Dance Hall. All classes are taught by professional dancers and choreographers working with the students to develop their dance technique, dance style, fitness, co-ordination and confidence. STUDENT WELFARE

Every member of our staff has passed a police check and students are accompanied by staff at all times. Unless parents stipulate otherwise, students aged 12 or older may be allowed to go shopping unsupervised when on excursions, but only if they are in a group. All our staff are trained to the highest standards, and supervision ratios are always kept high. We operate a pastoral care system for all students ensuring they are safe and secure and enjoying their courses at all times.

ACCOMMODATION

Boys and girls are accommodated in secure boarding houses. Each house has at least one TV room and there is usually a games room too. Laundry is done for the students once a week.

MEALS

Most meals are eaten in the school dining halls, where both hot food and salads are served. On excursions, students either eat at a café or restaurant, or are given a packed lunch. During lessons breaks, refreshments are usually available. All schools have a snack shop (traditionally called a ‘tuck shop’) or vending machines.

TERMS & CONDITIONS

Harrow School Short Courses, formally The British Association of Boarding School Short Courses (‘BABSSCo’) is a trading name of Harrow School Enterprises Limited registered in England, company number 1617359. Harrow School Enterprises Ltd is a wholly owned subsidiary of Harrow School (‘The School’), registered charity number 310033.

ENROLMENT

Places on each course are limited and we advise you to apply as early as possible.

All Harrow School Short Courses applications and deposit payments must be made online.

An enrolment is not complete until we have received the deposit and confirmed the booking in writing.

The initial deposit of £500 per course per student is part of the full fees and not an additional cost, deposits are non-refundable. We require a deposit payment for each course that you book before 07 May 2018.

If the application is accepted after 07 May 2018, we must receive full payment of fees at the time of booking.

Harrow School Short Courses must receive full payment of fees for all courses by 07 May 2018. If we do not receive payment by this date, we may cancel the student’s place on the course and will retain the deposit payment.

It is your responsibility to check before the payment deadline if there are any foreign exchange restrictions in your country and to make arrangements with your bank in advance to ensure we receive payment by the deadline.

If incorrect information is provided in the application to Harrow School Short Courses, we may ask the student(s) to leave the course. If this happens, we will not refund the course fees.

At registration, all students will need to give us their passport. This includes students arriving with their parents or guardians. It is a requirement of the UK Border Agency that we keep passports onsite and securely stored. We return passports to students at deregistration.

Places are held for 48 hours upon acceptance of an application. We will release the place if we do not receive the deposit within the deadline given in the acceptance email. Students cannot change courses or options after payment has been received for the course and the student is registered.

Completed forms (Emergency, Medical and Travel, etc) must be returned within the deadline given. Any misinformation or withheld information may result in the child being asked to leave without refund.

CANCELLATION

Please contact us immediately if you need to cancel your course (see Liability and Insurance sections).

If you cancel after 07 May, we retain your full fees. Depending on the reason for cancellation, you may be covered by the insurance policy. Please contact us for details of this policy.

You must support any cancellation claims with documentary evidence.

If your cancellation is because of a visa refusal, please see ‘Student Visas’, as separate conditions apply.

Bookings cannot be transferred and deposits cannot be refunded.

Any unused portion of the course fee cannot be refunded.

AMENDMENTS

After a student has registered, you cannot change their name.

The name on the application must match the legal name on the student’s current passport.

If you ask us to make a change to your application that we are able to make, we charge an administrative fee of £75.

Students cannot change programmes during their course.

If you want to change the school, we will regard this as a new booking. We will retain your original deposit and require a new deposit.

Students cannot change options once a deposit has been paid and the student is registered on the course.

AIRPORT AND EUROSTAR TRANSFERS

We must receive your travel details by the deadline given in your booking confirmation email.

Harrow School Short Courses always confirms travel details via email. Do not assume that Harrow School Short Courses has received travel details until you receive an email from us.

You must inform us of any changes to your travel arrangements. We must receive any changes to arrival travel details at least seven days before the start of the course and any changes to departure travel details at least seven days before the end of the course.

If we do not receive travel details or amended travel details within the seven day deadline we will charge you an administrative fee of £75 and we may not be able to provide a transfer.

You cannot arrive with an undated ticket; Harrow School Short Courses cannot book your return ticket.

Airport transfers are not shuttle services throughout the day and are normally by car, minibus or coach. Trains or public transport may be used if required.

Arrival and departure times per school are as follows:

| School Name | Arrival | Departure |
|-------------------|---------------|---------------|
| HARROW SCHOOL | 06:00 – 18:00 | 08:00 – 19:00 |
| DULWICH COLLEGE | 10:00 – 16:00 | 10:00 – 16:00 |

Please contact the Harrow School Short Courses Registration team to check before making your travel arrangements. Please also note, we cannot drop students at the airport or train station, earlier if the flight is outside our time transfer window.

If we have confirmed a transfer outside of our advertised arrival and departure times, there will be a fee per transfer, per student. We will confirm your transfer when we receive your travel form and the payment of additional fees. We may not be able to accept all requests for transfers that do not meet our travel requirements.

Students attending Harrow School should arrive at St Pancras Station (EuroStar only), or Heathrow, City or Luton Airports. If you want to fly into or out of London Gatwick Airport, City or Stansted Airport, we may be able to arrange this at a fee of £150 per flight, per student. Please contact the Harrow School Short Courses registration team to check before making your travel arrangements. We may not be able to accept all requests for transfers that do not meet our travel requirements.

Students who do not require a Harrow School Short Courses transfer must arrive at the school with a parent or an authorised adult between 09:00 and 17:00 and depart with a parent or an authorised adult between 09:00 and 13:00. Please note, the bedrooms may not be available to check in before 12pm.

We will not provide transfers for students meeting adults at an airport or station unless the student is booked on a flight or train leaving that day. If the adult is late meeting Harrow School Short Courses staff at the check in desk, we will check in the student for their departure and send them through security.

Students must pay the cost of excess baggage and Unaccompanied Minor (UM) charges; Harrow School Short Courses is not able to pay these. It is the parent’s responsibility to check the airline’s arrangements for the payment of airport departure tax and the maximum luggage allowance.

Students will not be taken to the airport or St Pancras Eurostar early to meet parents (please see FAQ’s for approximate transfer departure times to airports)

If a student is to be collected by an adult who is not the parent or legal guardian, the parent or legal guardian must first complete an authorisation form in advance, giving us the name of this adult no later than 48 hours before the students departure date. The adult must show photographic ID to Harrow School Short Courses staff before we release the student into their care.

As a part of our Safeguarding and Pastoral care, we will need advance notice of any changes to the authorised adult before we can release the student.

We can only provide transfers for students booked on our courses.

VISITORS TO THE COURSE

Any relative or friend who wants to take a student out during the course, must ask for the permission of the Activities Director or their delegate at least 48 hours in advance. We require students to attend all of their lessons.

If the visitor is not the parent or guardian of the student, we must receive an authorisation letter from the parent or guardian at least 48 hours in advance.

The visitor must show photographic identification to Harrow School Short Courses staff before we release the student into their care.

All students are required to be signed out and signed back in to Harrow School Short Courses’ care by the parent, guardian or authorised visitor.

STUDENT VISAS

Student visas will be required, and obtaining a visa is the responsibility of the client.

At the time of application, Harrow School Short Courses provides the necessary letter of acceptance and visa support letter, if applicable.

If a visa application is refused, the following refund policy applies:

Harrow School Short Courses will refund the full fees, less the deposit, should a visa be refused by the Entry Clearance Officer, and the client has followed all the correct procedures.

Harrow School Short Courses will not refund a client should the reasons for refusal be related to insufficient or incorrect documentation.

Harrow School Short Courses will not refund a client should the client not have applied with sufficient time for the visa to be approved. We strongly recommend clients apply at least three months prior to the start date of the course.

With all visa refusals, original documentation issued by the Entry Clearance Officer must be provided to Harrow School Short Courses to qualify for any refund.

LIABILITY

Harrow School Short Courses and The School has public liability insurance.

Any liability of Harrow School Short Courses or of The School to the student, parent or guardian, in respect of

which Harrow School Short Courses or The School has insurance cover, shall be limited to the amount of such cover and any such liability.

Nothing in these terms and conditions shall operate to exclude any liability of Harrow School Short Courses or The School for personal injury or death caused by negligence of Harrow School Short Courses or The School or our respective servants and agents.

It shall be a condition of the contract between Harrow School Short Courses, The School and the student or their parent or guardian, that Harrow School Short Courses and The School shall not in any way be liable to the student or the parent or guardian in the event that any service contracted to be supplied by Harrow School Short Courses or The School becomes impossible to supply, due to reasons outside of our control.

INSURANCE

Harrow School Short Courses provides insurance cover as part of your enrolment. This is designed to meet the needs of our students coming on courses in the UK.

There is no extra charge for this cover. Your cover starts automatically when we receive your deposit payment.

Please contact the Harrow School Short Courses registration team for full policy terms and conditions.

The insurance is arranged by Gibbs Denley Insurance Services and underwritten by Chubb European Group Limited. Both are authorised and regulated by the Financial Services Authority.

If there are costs involved in the medical treatment of a student, you must pay these costs initially. If you want to claim for these costs, you must do so directly with the insurers.

PASSPORT, TICKETS AND POCKET MONEY

Students must submit their passport and travel ticket at registration on arrival at the school. These documents will be kept securely throughout the course.

Pocket money can be handed in at the start of the course. Our insurance policy covers for loss of cash of up to £250 only. We recommend that you purchase a debit card or a credit card for use in the UK. You can then add extra pocket money if required.

We recommend students bring £100 pocket money per week.

Any additional pocket money transferred to Harrow School Short Courses by bank or credit/debit card while the student is on a course will incur an administration fee of £30 per transaction.

Harrow School Short Courses will not lend or advance pocket money to any student.

Students must arrive on the day their course begins and leave the day their course ends.

Students must be on time for all meals, classes, activities and excursions on the schedule.

Students must keep their rooms tidy and make their own beds.

Students must pay for any damage to property, equipment or rooms. No student of any age is allowed to drink or have alcohol.

Any student who takes or has illegal drugs will be required to leave the course immediately.

Students who do not obey the course rules or who repeatedly misbehave or do not follow the instructions of the course staff or otherwise disrupt the smooth running of the course will be asked to leave the School and the course immediately at their own expense. No part of the course fee will be refunded.

Students studying at the same school will not necessarily stay in the same boarding house, have activities, lessons or excursions together. This is particularly relevant to Harrow Juniors and Seniors.
