ENROLMENT

- When you book a course with HSSC Online, you can select a lesson time and teacher. We confirm these lesson details by email no later than 10 days after receiving a booking request. We ask you to pay any outstanding course fees within 2 working days of our email to secure a place on the course. A booking is not a guarantee of enrolment until we have confirmed course details in writing and you have paid the course fees.
- If we cannot offer the time and/or teacher that you selected when you booked, we will email you to arrange an alternative time and/or teacher. If we cannot arrange an alternative you are happy with, we will return any course fees you paid for that booking and cancel the booking request.
- When a course booking has been confirmed, students will normally complete all lessons in their course at the arranged time with the same teacher. All lessons in the course need to be completed before the course end date given in the enrolment confirmation.
 - For ten-lesson programmes, the course end date is three months after the first lesson.
 - For five-lesson programmes, the course end date is two months after the first lesson.
 - For a two-lesson trial, the course end date is one month after the first lesson.
- Students have access to the HSSC Online campus from a week before their first lesson through to the end of their course. Access is available 24 hours, 7 days a week. If a student cannot access the HSSC Online Campus for a period of time because of a technical problem with our software, their access will be extended after their course end date for an equivalent period of time.
- If a teacher becomes unavailable to complete a course of study, we will contact you to arrange an alternative teacher. If we cannot arrange an alternative you are happy with, we will return the course fees for the remaining part of the course.
- If you provide incorrect information or misinformation in an application to HSSC Online, we may cancel the course without refunding the course fees.
- Please note, enrolments cannot be transferred to an alternative student.

ENROLMENT AMENDMENTS

- After a student has enrolled on a HSSC Online course, it is not possible to change their name or the type of course they have enrolled on.
- Other amendments such as changes to the course start date and lesson time may be possible depending on teacher availability. Please contact us with any requests at least three working days before the start of the course.

- Students cannot change teachers during their course unless their original teacher becomes unavailable.
