SHORT COURSES EXPERIENCE

For over 30 years **Harrow School Short Courses** has welcomed boys and girls from all over the world on our **'Serious Study, Serious Fun!'** summer courses to improve their English and to learn more about British life and culture.

EDUCATIONAL, MEMORABLE AND PRESTIGIOUS

SERIOUS STUDY

OUR APPROACH

Summer school is the perfect opportunity to forget about exams and to focus on communicating in English. We encourage students to put their knowledge into practice, meaning they enjoy their language lessons, improve rapidly and feel proud of their progress. We call this 'Serious Study'.

Our summer English language courses are accredited by the British Council for the teaching of English in the UK and we are a member of Young Learners English UK and English UK.

OUR LESSONS

Lessons help students improve their speaking, listening and pronunciation skills, giving them confidence to communicate more fluently in English.

We teach language along with the soft skills that students need for success in modern life, such as teamwork, negotiation, debate, problem solving, presentation and leadership.

We aim to promote a love of language learning that will stay with students for many years to come.

OUR TEACHERS

Our qualified EFL (English as a Foreign Language) teachers all speak English at a native level. We look for teachers who are friendly, fun, enthusiastic and experienced in teaching young learners. Many teachers return to work for us year after year and continue working with us year-round delivering classes with Harrow School Short Courses Online. Our staff have current enhanced police checks, or an overseas equivalent, to show their suitability to work with children.

ABILITY LEVELS:

We teach students at all levels of ability from beginner to proficiency. Students are placed into the following ability levels for their classes:

BEGINNERS*	You have no English or rely on a limited number of basic words and phrases to convey simple meanings and basic information.
ELEMENTARY	You can interact in a simple way, ask and answer basic questions and express opinions on very familiar topics.
PRE-INTERMEDIATE	You can participate in conversation with some assistance and describe and give opinions on everyday things and events.
INTERMEDIATE	You can hold a conversation and express your meaning in different situations. You can describe events, experiences, hopes, plans and ambitions.
UPPER INTERMEDIATE	You can have a fluent and natural conversation with native speakers without difficulty for either participant.
ADVANCED	You use an excellent range of language and can communicate fluently and naturally. You use language flexibly and effectively.
PROFICIENCY	You can convey finer shades of meaning precisely using a wide range of language and selecting an appropriate tone and style for the context. You can express yourself at length with a natural, effortless, unhesitating flow.

Each student receives an academic report at the end of their course. This shows their current ability level and what skills they need to reach the next level.

*Beginners is available at the Harrow School centre only.

SERIOUS FUN

Harrow School was founded in 1572. Famous past pupils include former British Prime Minister Sir Winston Churchill, the poet Lord Byron, the first Indian Prime Minister Jawaharlal Nehru and King Hussein of Jordan.

The school is considered amongst the most prestigious public schools in Britain, even the world. Summer school students are fully immersed in the Harrow experience, from staying in one of the famous boarding houses, to exploring the historic buildings where films such as Harry Potter were filmed. Harrow School boasts an impressive heated indoor pool, sports hall, tennis courts, theatres and a school farm.

Students are accommodated in single, twin or triple study bedrooms, with shared bathrooms in a Harrow School boarding house. Each house has its own beautifully landscaped gardens and recreational facilities, for example a five-a-side football pitch or basketball court.

Why Harrow School?

- Our summer school is managed by full-time Harrow School employees
- We don't have rolling enrolment
- Over 70% of our staff return every year
- We stick to strict nationality limits per course
- We have a high ratio of staff to students

ENGLISH AND MULTI-ACTIVITY OR SCIENCE

Our junior courses are for girls and boys aged 9 to 11. They run in July and early August. We accept students at all levels from those with basic English to students who have been studying at international schools and are bilingual.

Harrow juniors courses are two weeks, or can be combined for up to four weeks. Each week is unique in its content, from lessons and activities through to excursions, so no two weeks are ever the same.

Junior courses focus on a general English with multi-activity programme, combining English tuition with activities and excursions that let students practise their new language skills while also, importantly, having fun.

This year, students who select the 2A course dates are able to elect English with science, taught by a Harrow School teacher that covers sciences topics from astronomy to zoology. Students who select sciences need an English level at intermediate or above.

THE WEEKLY THEMES FOR 2021 ENGLISH LESSONS WILL BE

ENGLISH AND MULTI-ACTIVITY, SCIENCE, TENNIS DRAMA, LEADERSHIP OR HOCKEY

Students between the ages of 12-17 can join our Harrow seniors courses. Students are split into two age groups, 12-14 and 15-17, for lessons and some activities and excursions.

We accept students at all levels, from those who have only recently started learning English, to students who are preparing to study at university in the UK.

We know that as you move in to adulthood, a “one course fits all” approach isn’t the best use of your time, so Harrow Seniors allows students to pick from a preferred academic option and a Plus option. Fees are all inclusive, so there are no hidden charges for any of the options you can select to make your perfect summer camp schedule.

ENGLISH LANGUAGE OPTIONS:

PROJECTS AND PRESENTATIONS

In these lessons students work together to produce a project that is a reminder of their time at Harrow Summer School. They show their completed project to other groups in a presentation session at the end of their course and one group is declared the winner.

Project work helps students develop their communication and language fluency as well as promoting teamwork, time management and presentation skills. Previous projects have included short films, vlogs, drama performances and photo stories. The important thing is for students to enjoy what they are doing, learn and practise new language and to produce something they are proud to show to friends at summer school and home.

ENGLISH FOR ANALYSIS AND DEBATE

These lessons are perfect for students who want to study at English-medium schools or universities. The aim is for students to develop their ability to understand academic language and express themselves using this language. We focus on how to form and defend your opinions and how to analyse and question the opinion of others.

The skills and language covered will be helpful to students who are taking a test for academic purposes such as IELTS or school or university entrance exams. Due to the language content students need to have an intermediate level of English in order to study on this course.

PLUS OPTIONS:

MULTI-ACTIVITY 9 July - 17 August

Multi-Activity is our most popular selection at Harrow seniors! As no two weeks at Harrow School are the same, these courses can be combined to create a longer adventure.

Multi-Activity courses include activities and excursions that let students practise their new language skills while also, importantly, having fun and making new friends.

SCIENCE 9 July - 22 July

This option enables students to understand and explore a mix of sciences using Harrow School's excellent facilities. You will learn about our position in the universe and the observational techniques of astronomy in our space observatory. Students will have fun with chemical reaction experiments and explore biological sciences and zoology, all while using English to work as a team. Students who select sciences will need an English level of intermediate or above. At the end of this course, students receive an academic report and their science lesson plans from their Harrow School science teacher.

TENNIS

9 July - 22 July

Harrow School produced the first ever Wimbledon Champion in 1877, so this course's location provides the perfect inspiration for students. Expert instructors teach on the School's 12 acrylic courts with the instructor to student ratio at 1:8 or lower. Our Tennis Plus option caters for all levels from beginner to advanced with topics covering: service, ground strokes, volleying, positional play, tactics and match play.

Students receive a report at the end of this course, having their levels assessed from beginner through to international standards by their Lawn Tennis Association (LTA) qualified instructors.

LEADERSHIP

22 July - 04 August

Confident, ethical and thinking leaders are vitally important in the challenging world we live in. Harrow School's 'Leadership' Plus option will give students a wonderful opportunity to learn about the 'art of leadership', to help prepare them for the exciting demands in the future.

Using Harrow's rich and unique experience in helping nurture and develop young leaders, students will be introduced to many of the key elements of leadership that are so vital in understanding what qualities good leaders need. Topics will include 'What is Leadership', leadership and teamwork roles, practical leadership tasks, communication skills, emotional intelligence, vision, creativity and motivation, courage, perseverance and assertiveness and leadership in business. Students who select leadership will need an English level of intermediate or above and be aged 15-17.

HOCKEY

22 July - 04 August

From tackling, to passing, to receiving the ball, our hockey course focusses on the importance of stick position, body position and foot work, making players think differently and break down the skills to truly understand how they can improve their game. This course is hosted by a Harrow School teacher who plays hockey for Team GB and is a former Olympian.

DRAMA

04 August - 17 August

Drama is a dynamic Plus option offering students insight into a wide range of dramatic genres and forms, as well as helping develop skills in analysis, creativity, empathy and teamwork. Harrow's rich dramatic tradition and well-resourced Ryan Theatre mean students have the opportunity to develop their skills to a very high level, on the same stages where famous alumni such as Benedict Cumberbatch learnt to act as a boy.

Students will learn skills that are at the heart of communication, expression and storytelling, and then create a presentation allowing vital experience in a live performance environment. Topics covered include storytelling, improvisation, scene study, acting, character, physicality, voice and stage combat.

You must inform us immediately of any changes to your travel arrangements. We must receive any changes to arrival travel details at least ten working days before the start of the course and any changes to departure travel details at least ten working days before the end of the course. If we do not receive travel details or amended travel details within the ten working days deadline or if we receive changes on the day of the transfer, there will be an administrative fee of £100 and we may not be able to provide a transfer.

We will organise a scheduled transfer from/to our designated airports or St. Pancras railway station (Eurostar only) for students who send us travel details within the deadline given and hold a valid return ticket with a time and date for the transfer scheduled. You cannot arrive with an undated ticket and Harrow School Short Courses cannot book your return ticket. Transfers are normally by car, minibus or coach. We may occasionally use trains or public transport for transfers. We do not run a shuttle service.

School Name	Arrival	/Departure
HARROW SCHOOL	06:00 – 18:00	/09:00 – 19:00
HEATHFIELD SCHOOL	06:00 – 18:00	/09:00 – 19:00

Designated Airports:

Students attending Harrow School should arrive at Heathrow, Luton Airports or St Pancras Station (EuroStar only). At Heathfield School students must arrive at Heathrow airport only.

Practical information can be found in the HSSC brochure or student handbook for arrival and departure times and designated airports per school. Please contact the Harrow School Short Courses Registration team at summerschool@harrowsschool.org.uk if you would like to check your travel arrangements with us before booking.

We may be able to accept requests for transfers that do not meet our travel requirements at an additional cost. For example, if you want to fly into or out of alternative airports, we may be able to arrange this. However, all transfer requests outside our terms and conditions must be approved. If the transfer is approved, there will be a fee per transfer/per journey/per student. Please contact the Harrow School Short Courses registration team to check if the transfer is possible before making your travel arrangements. Please note, we will not provide transfers for students being dropped off at one of our designated airport or Eurostar station by an adult unless the student is booked on a flight or train arriving on that day and has an approved transfer from HSSC. We will also not provide transfers for students meeting an adult at an airport or St Pancras Eurostar station unless the student is booked on a flight or train leaving that day and during HSSC transfer hours.

A student cannot arrive early and wait for our staff if their arrival is before our transfer window and we cannot leave a student at the airport or train station to wait if the departure is after our transfer window.

Students who have a scheduled transfer with us will arrive at the airport approximately three hours before their flight/train departs. We will check in the students and stay with them until we can send them through the security gate and will not release them from our care until this point.

Adults can meet students at the check-in desk, but our staff cannot wait for adults.

Students must pay the cost of excess baggage and Unaccompanied Minor (UM) charges; Harrow School Short Courses is not responsible for these costs. It is the parent's responsibility to check the airline's arrangements for the payment of airport departure tax, the maximum luggage allowance or any airline policy which may affect the student's departure on transfer day.

We can only provide transfers for students booked on our courses.

Students attending Harrow School who do not require a transfer must arrive at the school with a parent or an authorised adult between 13:00 and 17:00 and depart with a parent or an authorised adult between 09:00 and 13:00. Please note, you may not be able to check into your bedroom before 14:00.

If a student is collected by an adult who is not the parent or legal guardian, the parent or legal guardian must first complete an authorisation form in advance, giving us the name of the adult no later than 48 hours before the student's departure date. All adults must show photographic ID (passport) to Harrow School Short Courses staff and sign the deregistration form before we release the student into their care. As a part of our Safeguarding and Pastoral care, we will need advance notice of any changes to the authorised adult before we can release the student.

VISITORS TO THE COURSE

Any relative or friend who wants to take a student out during the course must ask for the permission of the Centre Director or their delegate at least 48 hours in advance. We require students to attend all of their lessons.

If the visitor is not the parent or guardian of the student, we must receive an authorisation letter from the parent or guardian at least 48 hours in advance. The visitor must show photographic identification (passport) to Harrow School Short Courses staff before we release the student into their care.

All students are required to be signed out and signed back in to Harrow School Short Courses' care by the parent, guardian or authorised visitor.

Parents or guardians are welcome to accompany students to their boarding house on arrival day but are not allowed in to boarding houses during the course or on collection. Parents, relatives and friends of students attending the summer English course at Harrow School are warmly invited to attend the awards ceremony held at the end of the course.

STUDENT VISAS

Please note Harrow School Short Courses cannot provide visa advice so please visit: <https://www.gov.uk/standard-visitor-visa/if-youre-under-18> or contact your local visa office. Some nationalities will require student visas, and obtaining a visa is the responsibility of the client.

Harrow School Short Courses can provide students with a letter of acceptance and visa support letter (for the registered student only) on receipt of the deposit payment.

Should a visa be rejected by the Entry Clearance Officer, and the client has followed all the correct procedures, the following refund policy applies: If a visa application is rejected and we receive written evidence at least six weeks before the start of the course, we will refund the fees received in full, less an administration fee of £300.

If written evidence of a visa refusal is received less than four weeks prior to the start of the course, then the refund will be paid less the administration fee of £300 and the non-refundable deposit paid at the time of booking. Where we receive this evidence, the refund will be paid back to you within four weeks of you providing us with bank details and written authorisation of the requested refund due to a visa

refusal. Please note, in order to mitigate fraud and money-laundering risk, all payments received via Flywire will be refunded to your original payment method through Flywire. With all visa refusals, original written documentation issued by the Entry Clearance Officer must be provided to Harrow School Short Courses to qualify for any refund.

Harrow School Short Courses will not refund a client should the reasons for refusal be related to insufficient, incorrect or false documentation. Harrow School Short Courses will not refund a client should the client not have applied with sufficient time for the visa to be approved. We strongly recommend clients apply at least three months prior to the start date of the course.

LIABILITY

Harrow School Short Courses and The School has public liability insurance. Any liability of Harrow School Short Courses or of The School to the student, parent or guardian, in respect of which Harrow School Short Courses or The School has insurance cover, shall be limited to the amount of such cover and any such liability.

Nothing in these terms and conditions shall operate to exclude any liability of Harrow School Short Courses or The School for personal injury or death caused by negligence of Harrow School Short Courses or The School or our respective servants and agents.

It is a condition of the contract between Harrow School Short Courses, The School and the student or their parent or guardian, that Harrow School Short Courses and The School is not in any way liable to the student or the parent or guardian in the event that any service contracted to be supplied by Harrow School Short Courses or The School becomes impossible to supply, due to reasons outside of our control.

INSURANCE

Harrow School Short Courses provides insurance cover as part of your enrolment. This is designed to meet the needs of our students coming on courses in the UK. There is no extra charge for this cover. Your cover starts automatically when we receive your deposit payment. Please contact the Harrow School Short Courses registration team for full policy terms and conditions.

The insurance is arranged by Canopus Studentguard via One Broker and underwritten by Am Trust Underwriting Ltd. Both entities are subject to regulation by the Financial Conduct Authority in the UK.

If there are costs involved in the medical treatment of a student, you must pay these costs initially. If you want to claim for these costs, you must do so directly with the insurers.

PASSPORT, TICKETS AND POCKET MONEY

Students must submit their passport and travel ticket at registration on arrival at the school. These documents will be kept securely throughout the course.

Pocket money can be handed in at the start of the course. Our insurance policy covers for loss of cash of up to £250 only. We recommend that you purchase a debit card or a credit card for use in the UK. You can then add extra pocket money if required.

Any additional pocket money transferred to Harrow School Short Courses by bank or credit/debit card while the student is on a course will incur an administration fee of £30 per transaction.

Harrow School Short Courses will not lend or advance pocket money to any student.

COVID-19 GUARANTEE

At Harrow School Short Courses we understand that we are all living in unprecedented and uncertain times which make it very difficult to plan and make decisions. We understand that securing the best education on a summer course for your child is still important to you. That is why we have introduced our 'COVID-19 Guarantee'.

Our COVID-19 Guarantee means that you can register your child for a place at Harrow School Short Courses, safe in the knowledge that you will not lose out financially if the Coronavirus pandemic interrupts your plans because:

If, after paying your deposit or full fees, a student is unable to join the summer course for a COVID-19 related reason, we will return your fees or offer you the chance to hold over your booking to 2022.

If Harrow School Short Courses is unable to run the summer course because of UK or international COVID-19 restrictions, we will return your fees or offer you the chance to hold over the booking to 2022.

COVID-19 related reasons could be: government restrictions on travel (in either the UK or your country of residence); the cancellation of the student's flight with no suitable alternative flight offered; the student is unable to travel due to sickness or isolation, in which case we reserve the right to ask for evidence of the positive COVID-19 test.

Please note that the travel insurance provided by Harrow School Short Courses insurers Canopus Studentguard will cover students for COVID-19 medical treatment while they are in the school and will also cover any extended stay in the school beyond the end date of their course if that is necessary and cover them for change of return travel to a maximum value of £5,000.

Harrow School has been fully open for boarders since the beginning September 2020. All government advised protective measures against COVID-19, and all hygiene and social distancing requirements are fully in place. Harrow School Short Courses will review procedures and processes throughout the year, for our summer courses.
