WELCOME TO HARROW SCHOOL SHORT COURSES

We are very happy that you are coming to England to study with us at Harrow School this summer.

OVERVIEW

We have welcomed students to study on short courses at Harrow School since 1995.

We offer:

- Summer courses for students aged 9-11 and 12-17 (split 12-14 & 15-17)
- Online courses year-round for students aged 8-22 years.

Our summer courses are accredited under the Accreditation UK Scheme by the British Council and we are a member of English UK. Accreditation UK is a UKBA approved accreditation body under the Immigration Rules for visitors.

WHAT TO PACK

ALL COURSES

- Casual clothes for everyday wear, including warm and cold weather conditions
- Something to wear at a party
- Shoes or trainers that are comfortable to walk in
- A raincoat
- A towel for going swimming and a swimming costume
- Some shorts and a t-shirt you don't mind getting wet for Sportsfest
- Toiletries (shampoo, body wash, deodorant, toothpaste, toothbrush, etc.)
- An adapter for UK electronic plugs
- A mobile phone (optional)
- A hairdryer (optional)
- A small backpack or bag for excursions

It is helpful if you have your items labelled with your name. Harrow School provides a free-of-charge laundry service.

WHAT TO EXPECT

YOUR FIRST DAY

When you arrive, you will check-in with the Summer School Registration Team at the Vaughan Library on the High Street, Harrow on the Hill, HA1 3HT. After 2pm, we will show you to your boarding house and you will have a choice of showering and sleeping or joining in some activities to get to know people on your course.

If you arrive at a meal time, we will take you to our dining hall to get something to eat. There will be packed meals for anyone who arrives after a meal time and is hungry.

All students who are new to Harrow School Short Courses will be introduced to a student buddy who has studied with us before and can help show you around.

THE NEXT DAY

After breakfast you will go to a Student Welcome Address where we will introduce you to all the important staff on your course.

Students will then take a written test and a listening test to check their level of English. You will find out what class you are in at breakfast the next morning. Don't worry, this test is only used to put you in a class with other students who have a similar level of English to you, it's not a test you can fail.

After your test you will have a course photo and go for lunch.

In the afternoon you will do some team activities to help you get to know all the other students on your course.

WHEN YOU LEAVE

If you have requested a transfer, our team will take you to the airport. Goodbyes can be hard, but we would like to keep in touch with you, and for you to keep in touch with your new friends, so please follow our social media accounts:

Facebook @HarrowSchoolShortCourses

Instagram @HarrowSchoolShortCourses

YouTube @HarrowSchoolShortCourses

We always recommend that you continue your English studies and keep practising. If you need support, many of your teachers work year round for us on our online virtual campus, HSSC Online.

You can find out more information on our website including how to book courses.

ANY PROBLEMS?

If you have any problems while you are here, please speak to a member of our staff and we will do our best to help you. Our Welfare Officer (the Pastoral Manager) is responsible for making sure all of our students are happy and safe while they are in our care. The Welfare Officer can be found in the Vaughan Library and you are welcome to visit any time from 8am to 6pm.

In an emergency you can call our 24-hour emergency telephone number: +44 (0)7545 429424. This number is active from 5 July-13 August 2024.

You can also ask your family to speak to us. They can call the HSEL Office on +44 (0)208 426 4638 or email summerschool@harrowschool.org.uk

Once you arrive, you can contact the Course Office for all of your needs on: +44 (0)208 872 8140.

If you have a problem and you don't want to tell anyone you know, you can call Childline on +44 (0)800 1111.

If you have reported a problem to our summer staff and you feel we have not responded properly to this, please contact the HSEL Business Director who is responsible for the summer school: Harry Ogden, hseldirector@harrowschool.org.uk +44 (0)208 872 8072.

If he cannot resolve matters immediately, he will ask you to put your complaint in writing and will respond to you in writing within three working days. If you still feel that your complaint has not been resolved in a satisfactory manner, please send a written complaint to The Ombudsman, English UK, 219 St John Street, London, EC1V 4LY.

PHONE, INTERNET AND POCKET MONEY

WI-FI AND CALLS

If you are bringing a mobile phone with you there is free Wi-Fi across Harrow School to access the internet and make calls. Calls can also be made from the Course Office. Please ask for further assistance.

HSSC APP

When you arrive, if you have brought a mobile phone with you, we will help set up the HSSC App on your phone which will give you lots of information about your course, activities, excursions and other useful information.

POCKET MONEY

Your course fees include all excursions or activities, but you will need some money to buy snacks, presents and souvenirs. We suggest about £150 per week. We recommend that your parents organise a pre-paid debit card or a credit card as many attractions are now cashless in the UK. We will look after your money for you and give you your pocket money on a regular basis. Please bring enough for the whole course.

Your parents can increase your pocket money via Flywire or by arranging a UK bank transfer whilst you are on our course. There will be an administration charge of £30 each time they do this. Pocket money will only be available when the money has reached our account. We cannot lend you money. Please note that our student insurance policy will only cover the loss of up to £250 in cash.

MEDICAL

TRAVEL INSURANCE

All students are insured when we receive their deposit. A summary of insurance cover is available on request.

MEDICAL TREATMENT

You will receive any necessary medical care during the course. We have a medical centre on site and first aid trained staff.

If you prefer private treatment, we will check with your parents first and they will have to pay for your treatment.

Students from the European Economic Community (EEC) can receive emergency treatment and treatment for pre-existing conditions in a government hospital or doctors' surgery. Important: You must bring your European Health Insurance Card (EHIC) with you. The latest information regarding this can be found on the English UK website and www.gov.uk

Students from countries with reciprocal healthcare agreements with the UK can receive "immediately necessary" treatment in a government hospital or doctors' surgery.

Non-EU students without an EHIC may be charged extra healthcare costs. Your parents or guardians will be responsible for these costs.

MEDICATION

All essential medication provided must be in date, be accompanied by a letter in English explaining what medical condition the medication is for, when it has to be given and the dose, for how long and the medication must be identifiable in English. It is essential that your medical questionnaire is completed accurately and returned to HSSC before you arrive.

The boarding houses all have a supply of pain relief medication, travel sickness tablets, decongestants/cold relief medication, Dioralyte/diarrhoea relief medication, antihistamines/allergy relief medication. Please do not send any of these medications as we will use our supply.

Antibiotics will not be accepted without a current prescription and details of what infection they have been prescribed for. Antibiotics that have not been prescribed will be destroyed as they are not legal in the UK without a prescription. Any student that becomes unwell will be assessed by our nurse as a first step.

Any medication you bring must be handed in at registration, except for:

- Adrenaline auto-injectors for severe allergies
- Insulin pens
- 'Preventer' and 'Reliever' inhalers

Normally, you cannot change to a different academic option when you are here, so please choose carefully before the summer.

When you arrive in the UK, you should:

1. Go through Passport Control and collect your suitcase from the baggage collection.
2. Go through customs and then through to the arrivals gate.
3. Look for the staff representative.
4. If you cannot see the representative go to the Information Desk and ask:

The representative WILL be there to meet you. This part of the information is only in case there is an emergency.

If you are being brought to Harrow School by an adult, please arrive between 2pm-5pm.

WHEN YOU MEET THE TEAM

- Please ask the school representative for the password. Email us for this year’s password before departure.
- When the representative says the password, say your name and do what they ask you to do
- If the person does not know the password, go to the Information Desk for help
- Do NOT leave the airport with anyone who does not know the password
- If travelling as an Unaccompanied Minor the airline staff will take you to meet our representative in the Arrivals Hall
- Our representative will have a letter to show the airline staff that he/she has permission to collect you. You should give the airline the contact name and mobile telephone number on your travel confirmation letter

Our team will be at the arrivals gate with a sign saying Harrow School Short Courses and your name on the sign. They will be wearing a dark green and pink uniform saying Harrow School Short Courses on the back.

YOUR DEPARTURE

DEPARTURE DAYS

- Our staff will help you to check in
- Our staff will take you to the security gate and wait until you have gone through, even if you are with a parent or guardian. We cannot go through the security gate with you. This is an airport rule. You will wait in the departure lounge until your flight is called and you can board your flight
- If you are travelling as an Unaccompanied Minor our staff will help you check-in and you will then be in the care of the airline staff at all times, including on the plane
- You must pay the cost of excess baggage and Unaccompanied Minors charges. Please check at the time of booking the airline's arrangements for the payment of airport departure tax and the maximum luggage allowance

- We will only provide transfers for children wishing to meet adults at the airport check-in desk if they are booked on a flight or train leaving that day. We cannot drop students to the airport more than three hours before a flight departs, so please ask any adults collecting you to come to Harrow School if they would like to meet you earlier. If the adult is late or delayed meeting our staff at the airport, you will be checked in and sent through security

FREQUENTLY ASKED QUESTIONS

Q: What will happen if the flight is delayed for arrival?

A: Our staff will wait for all students. If a flight is delayed or changed less than 48 hours before the course starts, please ask your parent/guardian to telephone or e-mail the Head Office (see Course Contact Details on page two of this handbook) and tell us the new flight details.

Q: What will happen if the flight is delayed for departure?

A: The Operations Team is in constant contact with our staff at the airport. If the flight is delayed on departure, the HSSC staff will wait with you. You will not be left to check-in alone. We will make sure you understand exactly what is happening and help you to contact your parents to inform them of any delay.

Q: How long do I have to wait at the airport before transferring to Harrow School?

A: Normally around half an hour. Students will not have to wait longer than two hours, but if, for example, there has been a flight delayed it could be longer. A member of our staff will be with you all the time.

Q: Can my parent or guardian telephone the Course Office to confirm that I have arrived?

A: Yes, but we will also ask you to telephone home as soon as possible after you arrive at the School. Please tell your parent or guardian suitable times to telephone you during the course. If your parent/guardian needs to telephone when you are in lessons, or on an excursion, our staff will take a message and ask you to return their call.

Q: If I am arriving by car, where should I come to register?

A: Harrow School, The Vaughan Library, High Street, Harrow on the Hill, London, HA1 3HT.

Q: Can my parent, guardian or friend take me out during the course?

A: Yes. We must have advance permission in writing from your parent or guardian. The person picking you up must show photographic ID when collecting you.

Q: What happens if I want to change my photography permission?

A: Pink lanyards are given to students who have given permission via the consent form to appear in photographs/video taken by Harrow School Short Courses during their course which may be used on social media, our website and for marketing. Green lanyards are given to students who have not. To change your preference simply ask your parent or guardian to email us on summer.school@harrow.schoolshortcourses.co.uk with their permission and visit the Course Office to swap your lanyard. The majority of students on our courses choose pink lanyards. Students with green lanyards may be asked to step out of some group photos.
